FIXED COST

Item	Cost/Year
Land	INR 7,50,000
Machinery	INR 9,00,000

*Land is 2500sqft @ INR 25

Machinery Details

Type of Machine	Capacity	Electrical Consumption	Cost
Compression Molding	4 cavaties		INR 4,00,000
Compounder	35kg/hr	32kw/hr	INR 2,50,000
Shredder	150kg/hr	5kw/hr	INR 2,50,000

Total Cost. A	**INR 9,00,000**

Other Fixed Costs/Year

Item	Cost
Tools and Maintenance	INR 50,000
Factory Permits	INR 35,000
R&D	INR 40,000
Depreciation Cost	INR 1,00,000

VARIABLE COST

Item	Cost/Brick
Raw Material (Plastic)	21.28
Additives	3.30
Labour	3.75
Utility	2.3
Packaging	0.25
Quality Control	0.25
Marketing & Distribution Cost	1

*Each brick weighs 2.66gms, RM is @ INR 8/Kg
*Additives is 1.33gms/brick

Total Cost. B.	**INR 32.13**

Details of Labour Cost

Item	**Cost/Year**
Operator	INR 3,00,000
Operator 2	INR 3,00,000
Material Handler	INR 1,80,000
Supervisor	INR 3,60,000
Packer	INR 1,80,000
Sales officer	INR 3,00,000

*Cost per day is INR 5400

Total no of bricks/day =1440
Total no of bricks/year =4,32,000

FINAL COSTING

Item	**Cost/Brick**
Total Fixed Cost	INR 2.26
Total Variable Cost	INR 32.32
Sub Total	INR 34.58
Profit Margin	INR 5
MRP	INR 39.58
